

## **Guided Snorkeling Tour in Kota Kinabalu Sabah**

This guided Snorkeling Tour is in Tunku Abdul Rahman Marine Park, just 10 minutes off KK (Kota Kinabalu). Whether you are new to snorkeling, or have gone snorkeling many times before, the guided snorkeling tour will be tailored by your snorkel guide, an experienced PADI instructor, to offer you the best snorkeling experience. This tour offers three fully guided snorkel tours (from the boat) by PADI Professionals - two in the morning, one in the afternoon - helping you to get the most from your snorkeling day tour. Your guide will not only show you some great marine life but also help you with your snorkeling skills should there be a need. As your guided snorkel tours are from the boat, you will be snorkeling shallow fringing coral reefs on one of the islands in the marine Park, and therefore away from the busy beach areas on the public islands. This tour is perfect for school groups and other nature lovers who are looking to learn more about our amazingly diverse marine life. This marine Park are home to a myriad of tropical marine life, so expect to see a wide variety of tropical fish species, including clown fish (maybe Nemo's cousin), parrot fish, damselfish, puffer fish, lion fish, wrasse, scorpion fish, barracuda and lots more. If you are lucky you could come across a hawksbill turtle, or two! Our experienced PADI Professional guides all have fantastic eyes for spotting marine life for you.

### **Trip Itinerary**

**0845hrs** - Meet our crew at the red phone booths, just inside the entrance on the left hand side at Jesselton Point Jetty.

**0900hrs** - Board our boat, and a boat safety briefing and outline of the day's itinerary, and then on to this morning's snorkel site. There will be a full briefing prior to your first guided snorkeling tour, and then off you go with your PADI instructor. During the morning you will be offered two guided snorkeling sessions at two different coral reef sites (each snorkel session will be maximum 1 hour). Your guide can also choose to adapt the morning snorkel session to offer one longer snorkel tour in the morning if a site offers lovely snorkeling conditions, or if the weather/sea condition requires.

**1200hrs** - Your group and guide will be collected and taken for lunch on one of the tropical islands in the marine Park.

**1330hrs** - After your lunch break you will do another guided snorkeling session at a different snorkel site or alternatively relax on a beach.

**1600hrs** - You will be returned to Jesselton Point jetty.
