

## **Roxanne**

Norfaezah, or Roxanne as we call her, graduated with a Diploma in Hotel Management in 1999 and later took up a Nature Guide course. She has since worked at a few popular seaside resorts and river lodges, and has also led many tour and school groups over the years. She regularly gets involved in volunteer work such as with MERCY Malaysia [www.mercy.org.my](http://www.mercy.org.my), as well as community projects.

Roxanne is an organiser and is quite amazing when dealing with people. When not working, this energetic single mom loves diving, hiking, bird watching and photography.
